STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Mail Stop Amendment
Commission for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Statement is being submitted as a follow up to the telephonic Examiner interview of June 28, 2007.

Remarks begin on page 2 of this paper.

REMARKS

Applicants would like to thank the Examiner for the telephonic interview on June 28, 2007. The undersigned discussed with the Examiner the Hanna reference (US 6,801,998) as it relates to all the claims 1-22. The undersigned suggested that, in light of the amendments and remarks in the June 15, 2007, Amendment and Response, Hanna is distinguishable from Applicants' claims for, *inter alia*, the reasons set forth in that Amendment and Response. No agreement was reached; however, the Examiner indicated that he understood Applicants' arguments with respect to Hanna and would revisit the application of the Hanna reference to the claims. The Examiner also indicated that Applicants' amendments will likely overcome the Examiner's 35 U.S.C. Section 101 rejections set forth in the March 16, 2007 Office Action.

Conclusion

It is believed that no fees are due with this Response. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

It is believed that the application is now in condition for allowance and such action is respectfully requested. Should any additional issues need to be resolved, the Examiner is requested to telephone the undersigned to attempt to resolve those issues.

Respectfully submitted,

Dated: _____
